

BUSINESS ESSENTIALS SEMINAR PROGRAM 2018

Tired of breakfast seminars? Looking for a more productive way to spend your Friday afternoon?

Welcome to the Clifford Gouldson Lawyers' Business Essentials Program

This unique seminar program provides business owners and business advisors with short, sharp, relevant information while also providing an opportunity to network and make productive use of that Friday afternoon time when enthusiasm often wanes.

The Business Essentials Program will be held in our conference room just six times a year on a Friday afternoon at 3.30 pm. There is no cost to attend.

We provide 30 minutes of very business-focussed, very practical legal information with an open forum afterwards for you to ask questions of the speaker or any of Clifford Gouldson's other lawyers.

After you've learnt something useful and exercised your mind you can take some time to network with other local business owners, managers and advisors by staying for a few drinks to help you wind down for the weekend.

To make sure you don't miss out on this opportunity by accidentally booking something else, we've set out the dates and topics for the full year of the Business Essentials seminars here.

- **16 February 2018 – Project Bank Accounts and Security of Payment Reform: Is your business compliant and how can these changes benefit you?**
- **20 April 2018 – Compassion and Compliance: Our guide to managing ill and injured employees in your business.**
- **1 June 2018 – Where did Dad's money go? Learn from the trials and tribulations suffered by some of Australia's wealthiest families when succession planning is not properly planned out.**
